Personal Profile

Highly motivated and results-driven creative. Proficient in multimedia, including freelance writing, photography, videography, web development, video editing, graphic design. Skilled at developing rapport, resolving conflicts, and exceeding company expectations. Experienced in communicating with diverse audiences across industries such as finance, retail, social work, healthcare, and journalism. Eager to use teamwork and problem-solving skills to help a team succeed.

Technical Skills

- Communication: Exceptional verbal and written communication skills; adept at explaining procedures and resolving issues clearly and concisely.
- Project Management: Engaged in content strategy, audience engagement, social media management
- Teamwork: Proven ability to collaborate effectively within a team to achieve common goals.
- Time Management: Skilled at prioritizing tasks, managing multiple deadlines, and working efficiently under pressure.
- Problem-Solving: Adept at identifying and resolving customer concerns and operational challenges.
- Security: Certified Security Guard with experience in access control, screening procedures, and emergency response.
- Media Skills: Journalism, freelance writing, creative storytelling, graphic design, video editing
- Technical Skills: Microsoft Office, Adobe Suite, CSS/HTML in Dreamweaver, Visual Studio
- Customer Service: Greeting, assisting, and exceeding customer expectations in high-pressure environments.

Media Experience

YMCA Youth Attendee (Sept 2023 - Present)

- Volunteering within the community to develop valuable skills and become a positive role model.
- Worked with a team to plan and promote community wellness events, encouraging active participation in physical activities.
- Helped coordinate group sessions to help youth create resumes and conduct mock interviews.

Freelance Writer & Graphic Designer (2022 - Present)

- Created articles for music journalism, blog posts about my hobbies, such as games and music, and promotional content.
- Designed and commissioned art, logos, and graphics for individuals with diverse backgrounds and interests.
- Utilized my skills to create reach in a casual setting while benefiting and contributing towards my portfolio.

Unison Health & Community Services (Jan 2019 - Aug 2024)

- Created digital content by utilizing creative design skills to support community initiatives by helping out the elderly and children.
- Helped develop compelling written and visual content for social media and advertisements.
- Managed content strategy, audience engagement, and social media to promote Unison's services and events.

Education

Ted Rogers School of Management
(September 2019 - May 2023)

Humber Polytechnic
(Expected Graduation May 2026)

Accomplishments

- Completed a multifaceted training program and assessments, obtained a Security Guard Card, and registered as an Ontario Security Guard at ASP.
- Equipped to offer dire life-saving support in an emergency, as I am certified in Emergency First Aid, CPR/AED Level C, and general First Aid.
- Completed four years of the IB program during my high school tenure, achieving academic excellence and Ontario Honour Roll status.
- Recognized for driving significant social media engagement growth at the Unison, increasing interactions and expanding the organization's digital reach.
